TESTIMONIAL

“The strength of the cooperation between BTG-BTL and Zeton lies in the complimentary expertise and experience of the two companies”

GERHARD MUGGEN,
MANAGING DIRECTOR, BTG-BTL

- ▶ **Expertise:** World's largest bioeconomy consulting group - over 100 subject matter experts (SME's)- all areas of the bioeconomy.
- ▶ **Approach:** Project interdisciplinary teams to meet exact needs of specific projects.
- ▶ **POC:** Handle projects with one agreement and single point of contact.
- ▶ **Cost Advantage:** Single POC = lower administrative costs = lower project cost.
